To ensure maximum speediness at lunch, our sharer pizzas are served from 5pm.

Our kitchen is open as long as we are, so you'll never go hungry or thirsty.

There is a barrel load more beer on tap. Take a gander at the boards around the bar for our specials.

We cook all our food fresh and deliver to your table as soon as it's ready, which means some dishes may arrive at different times.

DRINK

We have a great choice of beers on tap, right from our local brewery, Meantime. Their philosophy is a brew remembering tradition, embracing technology and allowing their beers TIME to mature. Meantime Brewery Fresh is served directly from our tanks, making it the freshest beer you can drink.
